Funjet reserves the right to reinvoice your reservation should an error be made in computing your vacation price. Funjet may split the merchant of record payment between Funjet and the air carrier booked. The Funjet portion of the payment will be processed immediately. The airline will process payment at the time the air tickets are issued. Hotel Taxes and Service Fees: Funjet markets hotels under a “prepaid/merchant” model, where Funjet collects the full amount from you in advance and manages the payments to the hotel/feature on your behalf. The booking is made by Funjet on the customer’s behalf and includes two components to the reservation: amounts being paid by Funjet to the hotel/feature on customer’s behalf as well as compensation for services retained by Funjet. In connection with facilitating your hotel/feature arrangement, the amount you are charged will include tax recovery charges and service fees. This amount includes an estimate to recover the amount we pay to the hotel/feature related to your reservation for taxes owed by the hotel/feature including, without limitation, sales and use tax, occupancy tax, room tax, excise tax, value added tax, good and services tax, and/or other similar taxes. The amount paid to the hotel/feature in connection with your reservation for taxes may vary from the amount we estimate and include in the amount charged to you. The amount charged to you also includes an amount to compensate Funjet for services in connection with the handling of your reservation. Funjet is not the supplier collecting and remitting taxes to the applicable taxing authorities.
Hotel/feature suppliers include applicable taxes in the amount billed to Funjet and Funjet pays over such amounts directly to the suppliers. Some hotels may charge a “resort fee” upon check in that you are responsible for. Car rental companies require additional taxes and fees to be paid by you at their rental counter when renting a vehicle. Funjet is not a co-supplier associated with the supplier with whom Funjet books or reserves customer’s travel arrangements. Taxability, the appropriate tax rate and the type of applicable taxes vary greatly by location. Funjet works with our suppliers to provide you with the best rates. To pass these values on to our customers, we are prohibited from breaking out individual component prices and will not be able to provide those to you. In the event your hotel is supplied by Travelscape LLC, the terms and conditions at http://developer.ean.com/terms/en/apply.
