The Cancel for Any Reason Waiver waives all penalties including Funjet Vacations penalties, hotel, supplier and airline penalties, even non-refundable airfares (booked through Funjet Vacations) - with no questions asked. You simply cancel and get the cost of your vacation back (minus the cost of protection)!

The No Revision Fees clause waives any revision fees for the first instance including hotel, airline and any Funjet penalties. No need to worry about incurring additional fees to make changes to your reservation.

What if I have to cancel for military-related or pregnancy-related reasons?

If you need to cancel for a military-related or pregnancy-related reason, this would fall under the Cancel for Any Reason Penalty Waiver portion of the Funjet All-In-One Travel Protection Plan.

Will my current home, renters, credit card or health insurance policies cover me during my trip?

Other insurance policies may not offer protection while you travel due to benefit limits, territory restrictions and deductibles. The Funjet All-In-One Travel Protection Plan contains travel benefits that your credit card, homeowners and renters insurance policies may not include.

The medical coverage included in the Funjet All-In-One Travel Protection Plan is absolutely vital for people whose health insurance policies (Medicare, HMO or PPO) may not pay for medical expenses incurred outside of the United States or may not cover transportation charges due to medical emergencies.

What happens if I have to miss my trip due to a weather-related reason?

The Cancel for Any Reason Penalty Waiver portion of the Funjet All-In-One Travel Protection Plan allows you to cancel and get your money back for weather-related reasons.

What if I am delayed during my trip? Will I be reimbursed for out of pocket expenses?

If you are delayed for 12 hours or more due to a covered reason, such as a common carrier delay or a documented traffic accident while you are en route to your departure, you are covered for up to \$500 for prepaid, non-refundable trip costs, as well as air to catch up with your trip or to return home (if the delay occurred during the return portion of your trip) and out of pocket expenses for items such as meals and lodging.

Are children under age two covered?

Benefits are extended, at no additional cost, to children under two years of age traveling with an accompanying adult(s) as long as ALL accompanying adult(s) purchase their own Funjet All-In-One Travel Protection Plan. All coverages, except Trip Interruption, are subject to a combined maximum benefit amount for the insured adult and covered children equal to twice the individual adult insured's limit.

Definitions

Who is considered an "Immediate Family" member under the plan?

It's not just family members who reside with you. Immediate family includes: spouse, domestic partner, mother, father, grandmother, grandfather, brother, sister, brother-in-law, sister-in-law, children, grandchildren, aunts, uncles, nieces and nephews, among others. See the Definitions section of the Funjet All-In-One Travel Protection Plan for a listing.

Who is considered a "Traveling Companion"?

A Traveling Companion is limited to one person booked to share a room or travel accommodations with you.

Exclusions

Are there exclusions?

In order to provide this package of benefits, certain restrictions do apply. For example, the program does not provide duplicate payments if there are other sources of reimbursement available. Exclusions are standard in virtually every travel insurance product. Please see the Funjet All-In-One Travel Protection Plan for a list of exclusions.

What is the Pre-Existing Condition exclusion?

The Funjet All-In-One Travel Protection Plan does have a Pre-Existing Condition exclusion which applies in certain instances for the during travel coverage. It does not apply to Trip Cancellations because those are handled by Funjet under the Cancel for Any Reason Penalty Waiver portion of the plan.

The pre-existing condition exclusion precludes reimbursement for those medical conditions that first manifested, became acute, or was treated in the 60 days before the plan is purchased. You may have a chronic condition that requires you to take medication and still be reimbursed by the plan. Thus if you received, or were recommended to receive, a diagnostic test, examination, or medical treatment and/or if there has been a change in the required prescription would your condition be considered "pre-existing".

In other words, unless you, your traveling companion or a family member booked to travel with you has a new medical condition or one that has recently "flared-up" right before you enroll in the plan, or you have had a change in your required medication, the plan should provide coverage. Please see the Funjet All-In-One Travel Protection Plan for details or contact Berkely, the Plan Administrator, at 1-800-527-3522 should you have any questions regarding this exclusion.

The Pre-Existing Conditions exclusion does not apply to family members who aren't traveling. For instance, if you have to interrupt your trip because a family member back home becomes ill as a result of their pre-existing condition, you can file a claim to seek reimbursement for unused pre-paid costs and any additional airfare costs that arise as a result of the interruption.

I know that I have a pre-existing medical condition; will the All-In-One portion of the plan reimburse me?

In the event that you have to cancel because of your pre-existing condition, the Funjet All-In-One Travel Protection Plan includes an Any Reason Cancellation Penalty Waiver, provided by Funjet.

If you are on your trip and you need require an Emergency Evacuation as a result of your pre-existing condition, the Funjet All-In-One Travel Protection Plan will not apply this restriction so your may receive prompt emergency transportation to a nearby treating facility.

Claims

Do I need to file a claim for canceling?

No. The Cancel For Any Reason portion of the Funjet All-In-One Travel protection allows you to cancel and receive your money back in the original form of payment (minus the cost of protection). You do not need to file a claim, the money will be issued by Funjet Vacations upon notification of cancellation.

How do I file a claim for the during travel insurance? How long does it take to receive my money back?

In the event of a claim, please contact Berkely, the Plan Administrator, toll-free at 1-800-527-3522 or go to www.travelclaim.com to initiate the claim online. Generally, the claims process takes 4-6 weeks and once Berkely receives all necessary documentation, payment for a covered claim can be generated within 3 business days.

For medical emergencies during your trip which require evacuation or interruption, promptly call On Call International with your policy number and emergency details. Emergency Evacuations and Repatriations are arranged by On Call International.

How do I get reimbursement if my bags and/or personal items are damaged/stolen/lost while I am away?

Upon your return home, submit verification to Berkely, the Plan Administrator, including claim forms, explanation of benefits from homeowners or renters insurance, loss or police reports, and store receipts. You will be reimbursed for items that are damaged/stolen/lost while traveling, up to \$1,000.

Should I submit a baggage claim with my homeowners/renters insurance first?

Yes. The Baggage Protection portion of the Funjet All-In-One Travel Protection Plan is excess of all other valid and collectible insurance. The plan provides reimbursement, up to a maximum of \$1,000, for amounts not covered by your homeowners, renters or other applicable insurance, for lost, damaged, or stolen baggage or personal effects.

How does the Excess coverage for baggage and medical work?

Baggage and medical coverages are excess or secondary to any primary insurance plans you may have (e.g. homeowners or health insurance). Part of the claim process for baggage and medical claims includes submitting the claim to your primary insurer first. We will then review their payment and reimburse any covered expenses that were not reimbursed by the primary insurance, up to the limit for that benefit. Of course, if you do not have primary insurance, this plan would become primary coverage.
